When I got to the set, I saw at least six different dildos and vibrators out for my selection. I took a few back to the dressing room and tried them out. I settled for this big pink vibe because it fit my sex hole perfectly. When I got on my knees to insert it, I could see all the male assistants get hard.

AFTER THE STORM

I had planned to do some fishing that weekend.

Mother Nature had other ideas . . .

A nasty thunderstorm with damaging winds had barreled through the city late Friday afternoon, wreaking all manner of havoc. Severed tree limbs . . . toppled fences . . . downed power lines. Tons of folks were in the dark.

The electric company had all of us working overtime to repair the damages and restore power as soon as possible. A major bummer, you bet. Still, the overtime pay was nice. I could sure use the money. And I had lucked up by drawing one of the swankier neighborhoods. The well heeled residents could be overly demanding, sure, but at least the scenery was pleasant.

The cherry picker on my truck afforded me an elevated view of the area. Safely ensconced in my basket, I worked on a sheared line. It was hot up there, my hardhat adding to my discomfort. Well, that and the cutie sunbathing in an adjacent backyard. A slender brunette in a red bikini, she made it most difficult to concentrate on my work.

My temperature soared when she uncoiled from her poolside chaise lounge and padded to the diving board. Her compact apple ass was to die for! Sweating bullets, my pulse pounding, I watched her execute a flawless swan dive. Her svelte form knifed through the azure water without the slightest splash. A perfect 10, I mused.

She had the right idea. A refreshing dip was a surefire way to beat the heat; at least until the power in her house was restored. Her house? Make that her parents' house.

She was too young for a mortgage. Probably a college student, I reasoned. I wondered if her folks were home.

I got my answer when she emerged from the water minus her top. She had a stellar set of tits, smallish half melons capped with stiff brown nipples.

"Wow," I muttered to myself.

The raven haired sun goddess plucked a cigarette from a pack atop the chaise lounge. Standing there, she put on a pair of dark sunglasses, lit up, and exhaled theatrically. I felt like I was watching a scene in a movie.

Until she broke the fourth wall by looking up at me and waving. Busted! The heat of embarrassment flooded my face. I was only thirty, yet still felt like a dirty old man. Half expecting her to give me the finger, I did a double take when she smiled and beckoned me with her hand.

Come on in, her gesture said, the water's fine!

Having met me in the front yard, she ushered me through a side gate which led to the pool area. The rear of the house was floor to ceiling glass. I could see the darkened interior quite clearly. I didn't want to look away from her spectacular tits. Still, I found myself peering inside for a glimpse of mommy and/or daddy.

"Don't worry." She dumped her cigarette in an empty beer can. "My parents are gone. They took off for my sister's condo when the power went out."

40+: Hi Sarah. It's a real pleasure to meet you today.

Sarah: Thank you. Pleased to meet you, too...

40+: Finally getting some relief from the heat here at the ocean, but the Valley is still pretty warm.

Sarah: It is, but I get to Santa Monica a lot.

40+: Nice. Shall we sit and talk. I have some interesting questions for you.

I removed my hardhat. "How old are you?"

"Eighteen," she replied. "How old are you?"

"Thirty," I told her.

"I like older men."

Her turgid nipples confirmed this. As for me—well, I was hard and getting harder.

"Get out of those hot clothes," she said, "and take a dip. It'll make you feel better."

The water was nice and cool. My young hostess, whose name I would never learn,

the other plying her tits, she took me in her mouth. She gave great head. No doubt she sucked a lot of dick at school. Practice makes perfect, I thought.

She pumped her head vigorously, prepping me for the hairless treasure between her legs.

And what a treasure it was!

My sexy hostess had an incredibly tight pussy. But she was no virgin. No way. Splayed beneath me, she raised her knees and urged me to pound her harder, deeper, faster. It wasn't long before I was hammering her like a piston. So intense was our coupling I feared the chaise lounge would break apart beneath us.

Thankfully this didn't happen. What did happen was a switching of positions . . .

I lay on the chaise lounge while my nubile partner rode me reverse cowgirl style. She was quite a sight to behold, this privileged teen slut, bouncing on my cock like that. Her hair, long and wet, contrasted sharply with the pale skin of her lean back, trim hips, and firm fanny.

She bucked her way to an intense orgasm, then rolled off and finished me with her mouth. I dumped a hefty load of cum on her tongue. She swallowed every last drop.

"Yummy," she said, licking her lips.

"I'd love to stick around," I told her, putting on my hardhat, "but there's work to do. This whole neighborhood is still without power."

"Sure."

"I'll bet it's hard to study in the dark, huh?"

"Study?" She made a screwy face. "I'm on summer break, dude. The only thing I'm studying is sex and booze . . ."

"I fear for the future of America," I told her.

She laughed her ass off, but I wasn't kidding.

— Roy M., New Mexico

removed her bikini bottom and joined me. We frolicked in the water for a bit before she climbed out, lay on the chaise lounge, and put on her shades. Treading in the deep end, I watched her spread her legs and play with herself.

"Get over here," she finally said. "I want to suck your cock . . ."

I emerged from the water and stood beside her, thrusting my engorged member in her face. Diddling her cunt with one hand,

Sarah: Well, I'll be the judge of that! (giggles).

40+: Okay, it's obvious you work out, and love getting tats. How do you find time for sex?

Sarah: Sweetie, there are 24 hours in the day. I find time for everything!

40+: Have you had sex while working out... or getting a tattoo?

Sarah: Of course! My sex drive isn't only for the cameras or the bedroom. It's quite exciting to feel the pain of a tat and the pleasure of getting eaten out while that's going on. Fucking, on the other hand can screw up a good tattoo because of all the movement.

40+: Do you have gym equipment at home?

Sarah: I do, but only a treadmill, stationary bike and a pretty complete set of dumbbells. I know what's you're going to ask... I've fucked on the stationary bike, and I've fucked a guy while sitting on him and

OH, BROTHER!

I went outside to check out my 42 year-old brother's new 32 year-old girlfriend. Actually he said she's not his girlfriend, just a gal he picked up at the local bar, and they've been 'party-ing' for a week now. If that was the case, why did he bring her home during Thanksgiving? I think I know but didn't care.

Her name was Noel and she was tanning out by our pool. She saw me walking on the pool deck and motioned me over. "Would you be a dear and rub some of this lotion on my back?" she said holding out the sunscreen bottle. While I was rubbing the lotion, I worked it a little lower down her topless back to her ass and noticed I was getting a boner bulging against my shorts! Noel rolled over in the lounge and noticed the protuberance.

She looked up at me and smiled and asked if she could see it. At first I said 'no' but my small head then took over and made me ask where my brother was. She looked back up at me and whispered out loud, "Do you really care?" Then she said he went to the baseball game an hour over an ago.

When she finished rolling over, her beautiful full breasts came into glorious view. I couldn't help but stare, and when she noticed me doing that, I tried to avert my eyes. Without missing a beat she again took the open bottle of lotion and handed it to me, cooing to rub it on her chest. She squirt a hefty dollop into my palm and I rubbed my hands together to warm it up. As she put the bottle back, the back of her hand brushed across my boner. I think she did that on purpose.

Her hand came back and slid up my board shorts searching out my erection. As

I rubbed the lotion on her chest, she found my woody and started playing with it. I stopped rubbing lotion on her and reached out and touched her nipples. They responded by getting harder, like little pencil erasers as I pinched and fondled them. I continued massaging her firm breasts and she massaged my throbbing cock under my shorts.

Then suddenly she pulled her hand out and sat up. I took a step back thinking I did something wrong. She grabbed my waistband and said "These won't do. They gotta go," and in one swift yank they were down at my knees. Her hands encircled my hips and pulled me back closer to her – and her mouth. Trailing her fingers along the length of my hard cock, she nuzzled her full lips, she pushed it up against my belly and her long warm tongue was licking my balls.

She was making those slurpy, sucking noises that drove me crazy. I came in her mouth and she swallowed it all. I wanted to push her down on her back, spread those smooth legs apart and do some long, slow meaningful strokes in her magnificent pussy. Maybe later I will.

– Omar J., Texas

lifting weights. I haven't found a good position on a treadmill. It takes too much concentration or you'll end up on the floor.

40+: You started a bit late in this business.

Sarah: Yeah, I did, compared to others. But I've been fucking a really long time, and will continue to do so.

Yes, it was a
scary thing, – but
who really is the
monster!

Spooked!

*Their pool-

wise been just
another bor-
ing summer.
It was too hot
to do much of

cept swim and

many mojitos.*

The tall wooden fence surrounding the Martin's backyard served its function well, effectively concealing the pool from nosy neighbors; a good thing as Janet Martin was seeing Robert Doty this afternoon. Last thing they needed was to become embroiled in a salacious suburban scandal. Their poolside liaisons had become a regular thing, livening up what would have otherwise been just another boring summer. It was too hot to do much of anything except swim and drink far too many mojitos.

Thankfully Janet had found Robert in May; the handsome bachelor had bought the Cape Cod style bungalow across the street. And not a day too soon, Janet reminisced as Robert, looking sexier than ever in his navy blue swim trunks, entered her property via the side gate.

"A sight for sore eyes," she greeted him from the deep end, having succumbed to the tempting coolness of the blue water.

"Couldn't wait, huh?" Robert peeled his short sleeved knit and dropped it at his feet. "I don't blame you. It must be ninety degrees out here."

Robert popped out of the water in front of her, his thick brown hair plastered to his forehead.

"A perfect ten," Janet said, treading water beside him.

She wrapped her long legs around his trim waist. His strong hands cupped her firm ass as she crushed her lips to his. Tasting his tongue, she moved against him and felt his hardness. No sooner had she exited the pool than she peeled her tasteful one piece suit and made a beeline for the nearest chaise lounge.

Having followed her out of the pool, Robert shucked his trunks and hastened to take her right there. He plunged his cock inside her and commenced to fucking her like a real man.

Robert's was a big cock and Janet enjoyed it to the full, urging him to fuck her harder and faster.

As much as Janet liked the missionary position, she possessed an even greater affinity for doggy style. So it wasn't long before Robert flipped her over and started doing her from behind. Holding her lean hips, the padded chaise lounge cradling his knees, he reamed her tight cunt from the rear.

Robert's neighborly knob drove Janet wild. His fingers digging into her skin as his big dick pounded her sent delicious ripples throughout her body. She bit her lip, stifling an orgasmic outburst lest a nosy neighbor hear and think she were in some kind of danger. Having sufficiently recovered, Janet and Robert had gone inside for a leisurely shower in the master bath.

Janet had insisted that Robert wear his swim trunks in the shower. She liked to kneel before her neighbor, the water sluicing over her lithe body, and remove them herself. Robert was all for it. He enjoyed the ritual as much as her, she knew, and the trunks were already wet anyway.

She had an insatiable appetite for her neighbor/lover. Still, it was with an encroaching sadness that she had embarked on today's tryst. Autumn would put the kibosh on their afternoon swims. And winter would mean dreary snow days in which Norman would stay home all day and insist on playing boring board games.

She had married him when she was young and naïve. The biggest mistake of her life. And speaking of life—well, enough of hers had been wasted living with a man she had grown to detest. Sure, she enjoyed the little pranks they played on one another. Why, just last weekend she had pulled one of her best, scaring her husband senseless with a rubber. Still, such marital hijinks hardly compensated for the bad times. Life with Norman, especially the sex, was the absolute pits. It was high time to dispense with her husband.

Robert was gradually warming to the idea,

and Janet felt confident that he would eventually cave. A few minutes ago, the two of them spooning on the chaise lounge in post coital languor, they had revisited the topic. Janet was partial to poison. Robert thought it best to hire a professional.

Either way, she wanted her husband eliminated by Christmas. Norman always took an extended vacation—sometimes a whole month—during the holiday season and she could no longer bear his dull company for that length of time.

Now Robert soaped her shoulders and back and said, “It’s too bad your snake didn’t give him a heart attack. Talk about convenient.”

Janet frowned. “Did you hear that?”

“I didn’t hear anything.”

“I think it’s the front—”

“Relax, Janet. Norman’s at work. And he—”

“Works late,” she finished his sentence. “Sorry, baby. Sometimes I get a little spooked.”

“That’s understandable,” Robert told her. “Halloween is right around the corner. Why, it’ll be here before you know it.”

Entering the foyer of his house, keys jangling in one hand, his sample case dangling from the other, Norman grinned like a shark.

The setup couldn’t have been better.

Perfect, he thought, for one of his best pranks.

As husband and wife, Norman and Janet were constantly playing tricks on one another; theirs was a perpetual sparring match minus the fists and feet.

Last weekend Janet had gotten him good with that rubber snake. Norman had been sunning on his favorite chaise lounge when the damnable thing had fallen from the weeping willow and landed on his thigh.

Scrambling with panic, he had dropped his cocktail and screamed to high heaven before realizing that the snake was a fake. Laughing hysterically, Janet had emerged from her hiding spot behind the shrubbery. Her self-satisfied smirk had said it all. Take that, Norman! Take it and see you can top it!

Now he closed the door quietly and crept through the house, homing in on the master bathroom where his wife was taking a shower.

She must’ve gone for a late afternoon dip. He had heard the water running as soon as he had opened the door, the idea blossoming inside his ever-scheming mind.

The new masks had arrived today. Halloween was just two months away. Norman had a quota to meet and damned if he wasn’t going to surpass it and win Salesman of the Year for the second year in a row. Last year’s award had come with a sizable bonus, which he had used to finance the swimming pool. He was happy with the new masks and felt confident that he could place them in most of the major chain stores.

But work was work and for the moment he was in play mode.

Norman crossed the threshold of their bedroom and placed his case on the queen-sized bed. He didn’t waste time making a selection. His favorite among the new samples was “Demented Witch”—a hideously wrinkled crone topped with a wild mop of grayish hair. Standing before Janet’s vanity, he slipped the rubber mask over his head and regarded his ghastly reflection in the mirror. Payback’s a bitch, Janet!

Norman’s heart hammered with excitement. He started for the bathroom.

Then he stopped.

The knife. You forgot the knife . . .

The rubber accessory had been included with the masks. It wasn’t retractable like an authentic stage knife, but at first glance the replica looked real enough, a large butcher’s knife of the kind Janet used to carve roast beef.

Gripping the plastic hasp, Norman entered the bathroom, fancying himself a movie psycho as he reached for the shower curtain.

Raising their hands to ward off the attack, Janet and Robert screamed in unison. Norman screamed, too. The shock of seeing another man with his wife battered his senses. Searing pain lanced down his left arm. He dropped the knife and clutched his chest and fell to the floor.

Janet stood there aghast. Robert hastened from the tile stall. He crouched beside the body and felt for a pulse.

“Dead,” he muttered.

Janet said, “We scared him to death!”

Robert wrapped a towel around his waist. “I’ll call the police.” He rushed to the bedroom and used the phone on the nightstand.

The water was still running when Janet, the first traces of a smile creasing her features, emerged from the shower. She had intended to remove her husband’s mask, had gone so far as to bend over and reach for the deranged visage before changing her mind.

Leave it, Janet.

It was better this way, she decided, easier if Norman was the monster.

Scrambling with panic, he had dropped his cocktail and screamed to high heaven before realizing that the snake was a fake. Her self-satisfied smirk had said it all. Take that, Norman! Take it and top it!

Yes, I was a flower child many, many years ago, living in a commune. It was only natural to get into the hippy culture. There was an awful lot of pot smoking, and a lot of sex. I tried guys and girls, and I even tried guys and girls together. I haven't lost my urge to fuck, and age has nothing to do with it.

I love one-night stands. But I'm careful with who it is, usually it's someone I know or want to get to know. I'll start with cooking a homemade dinner, some good wine, and a great blowjob in the least. Then we'll go to the sofa and strip naked and sit my tight pussy down on their hard cock.
